Providing flexible people with a focused response

ESTABLISHED SINCE 1990

WHAT WE DO

- Save you Money:** By providing FREE national advertising on our website, or placing advertisements in the press.
- Screening:** All candidates are interviewed in person, by one of our consultants, carry out computerised ability tests and answer a set of structured questions.
We therefore, gain full appreciation of each applicant's strengths, character, and personal goals, enabling us to provide you with the best match for your job vacancy.
- Reference Check:** We apply for references for all potential employees, so that you and your company can be sure that the highest standard of candidate will be submitted for your needs.

WHAT WE CAN DO

- Provide a Lifeline:** So that your company can run efficiently let LMS Recruitment provide staff to cover, sickness, holiday and maternity cover, on a short or long term Temporary or Temp to Perm basis.
- Time means Money:** Let your managers get on with the job they are paid to do, by using the services of LMS Recruitment, they will only have to interview candidates that have already been screened to fit your job requirements on a Permanent or Temp to Perm basis.

What We Won't Do

- Rip you Off:** Our rates are very competitive, some of the lowest in the area. At LMS Recruitment, we like to think that we have a flexible attitude whether you are a small business or large national company we can provide the best quality candidate at a price that is right for you and your budget.
